Report description:

Price increases due to inflation across travel and tourism products and services, including airline tickets, car rental, lodging, restaurants, attractions and activities, have impacted domestic, inbound and outbound tourists significantly during 2022. In addition, from December 2021, Brazilian tourists once again required a visa to visit Mexico, for health reasons and due to the increase in migration to the US. Moreover, starting in April 2022, Colombian tourists needed to fill in a pre-registra...

Euromonitor International's Travel in Mexico report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2017-2021, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2026 illustrate how the market is set to change.
