Report description:

The relaxation of COVID-19 restrictions and return to normal living in 2022 is resulting in higher value sales growth of wound care. Wound care has become more widely stocked in retail outlets. The Leukoplast brand has achieved higher visibility, especially in hypermarkets such as Walmart where it offers waterproof options, elastic, and kid-themed plasters. Adhesive bandages are very popular for small wounds, but little product options are available in each retailer. For example, at any given su...
