Report description:

Consumers are focusing on taking dietary supplements combined with multivitamins to support mental and physical health as part of a holistic approach to their overall wellbeing. Multivitamins which incorporate probiotics appeal to consumers who want to maintain long-term health. Dietary supplements such as fish oils/omega fatty acids with multiple benefits including mental health wellbeing and proper brain functionality are also appearing in formats that offer blood glucose maintenance. Greater...

Euromonitor International's Dietary Supplements in United Arab Emirates report offers a comprehensive guide to the size and shape of the market at a national level.
