- Multiple User License (1 Site) €2200.00
- Multiple User License (Global) €3300.00

Report description:

In most Latin American countries, income inequality is set to reduce over the period to 2040. Increasing investment in rural development and rising agricultural productivity are expected to diminish the rural/urban income gap, while increasing access to social services is set to foster middle class expansion. Nevertheless, the short-term consumer market outlook in Latin America remains clouded by among the highest inflation rates globally, constraining growth in discretionary spending.

...

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Product coverage: <|Products|>

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report

- Identify factors driving change now and in the future
- Understand motivation
- Forward-looking outlook
- Briefings and presentation should provoke lively discussion at senior level
- Take a step back from micro trends
- Get up to date estimates and comment

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems.
