### **Report description:**

Edible oils is set to experience double-digit current value growth in 2022, along with healthy volume growth. During 2021, significant price rises exerted a downward pressure on demand for edible oils as the devaluation of the Hungarian Forint increased import prices and rising global fuel prices also had an effect. Sunflower oil remains the most popular edible oil. During 2021, sunflower oil registered the highest retail price increase. In February 2022 a mandatory price cap was introduced on s...

Euromonitor International's Edible Oils in Hungary report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
