### **Report description:**

Overall consumer spending power in South Africa is declining in 2022 as food prices soar. The war in Ukraine is causing major uncertainty worldwide and increasing prices of commodities, including edible oils, which are reaching all-time highs. This scenario follows the lingering impact of the pandemic and economic recession in South Africa. Local consumers have always been price sensitive, but in the context of 2022, they are more cash strapped than ever before due to rising electricity, fuel, a...
