Report description:

After a stable performance in recent years, demand for sunflower oil is declining in 2022 as the war in Ukraine induces a supply shortage. Many consumers are taking a bigger interest in olive oil, which has had a very good season in 2022 and is seeing robust demand in 2022. Due to low supplies of sunflower oil, unit prices have escalated forcing consumers to look for alternatives, including olive oil and other edible oils. Retail volume sales of sunflower oils have declined as a result whilst ed...

Euromonitor International's Edible Oils in Slovenia report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere. In addition to the latest retail sales data 2017-2021, it identifies the leading companies, brands and retail outlets, and assesses the key trends and demographic shifts behind consumer demand and sales growth.
