Report description:

Edible oils continued to record strong sales growth in Uzbekistan during 2022 despite the turmoil that has been seen in edible oils at regional and global level and the threat of inflation that has put pressure on spending power at local level. Sunflower oil remains the largest category of edible oils in Uzbekistan and this category accounts for around two-fifths of category sales, with cottonseed oil accounting for around another two-fifths. Sunflower oil is popular for frying and dressing sala...
