Report description:

2022 has been a year of consolidation for Chile in terms of pandemic-related policies. After a very successful vaccination campaign, which saw over 90% of the Chilean population complete their immunisation scheme, the threat of COVID-19 is waning and the local economy is operating close to pre-pandemic levels. Almost all sanitary restrictions have been lifted, schools have reopened, in addition to the country's borders, and Chileans are spending greater time outside of the home. Foodservice venu...
