### **Report description:**

Overall retail volume sales growth for processed meat, seafood and alternatives to meat in 2022 is set to be weaker than in 2021. This is partly because many Algerians are cooking and eating at home less frequently as they return to the office and resume their regular routines in line with the easing of the pandemic. Moreover, following the ending of most restrictions previously imposed to curb the spread of COVID-19, the category has faced increased competition from fresh meat and seafood sold...
