Report description:

Having seen stabilisation in 2021 after the surge in demand resulting from lifestyle changes at the height of the COVID-19 crisis, sweet spreads is set to see slightly slower retail volume growth in 2022. The fact that some eating occasions are shifting back to foodservice as the threat from COVID-19 recedes is acting as a constraint on the development of retail volume sales in 2022. The year is, however, expected to record a robust increase in retail value sales compared with 2021, driven mainl...
