### **Report description:**

Value sales of analgesics continue to rise in Australia in 2022 following a particularly strong performance the previous year when demand was partly driven by the ongoing effects of the pandemic and stockpiling tendencies. Whilst habit persistence is maintaining overall demand for popular analgesics such as acetaminophen and ibuprofen, the easing of restrictions in Australia, in line with the country's rollout of its vaccination campaign and a fall in COVID-19 cases, has led to greater mobility...
