Report description:

Edible oils overall has seen a consistently positive performance throughout the review period and enjoyed a further boost during the pandemic in 2020 and 2021 when people were spending more time at home and began to experiment in the kitchen. Many Swedes discovered (or rediscovered) the joys and benefits of cooking from scratch in their own kitchens, which led to higher demand for edible oils. The home cooking trend continues into 2022 as consumers realise its advantages in terms of both health a...
