Report description:

Staples are expected to register an increase in current value in 2022, though retail volume growth is expected to be more muted. However, unlike many other countries, Bolivia is not experiencing soaring inflation, and the main factor contributing to the muted volume sales is that with society opening up again post pandemic lockdowns, consumers are eating in restaurants again. A fixed currency exchange rate is also stabilising prices. Though prices are rising, due to the energy crisis and supply...
