- Multiple User License (Global) €2475.00

Report description:

Writing instruments registered mid-single digit growth in current value terms in 2022, with sales edging closer to pre-pandemic levels. This was due to the normalisation of lifestyles, including a return to regular schooling, following the easing of COVID-19 related restrictions. Most pandemic-related measures were dropped at the start of the 2022/2023 academic year, including the mandatory use of protective face masks in classrooms. Sales were also driven by the gradual return to the workplace...

Euromonitor International's Writing Instruments in Italy report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2017-2021), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, distribution or pricing issues.
