### **Report description:**

Demand for bags and luggage continues to recover in 2022, after a significant drop during the pandemic due to the absence of tourists in Hong Kong. During the fifth wave of the pandemic in early 2022, the demand for bags and luggage was suppressed by enforced store closures, remote working arrangements, and restrictions on group gatherings. As the city's vaccination programme progressed and social restrictions were relaxed in late April, stores reopened, employees began to return to the office, a...
