### **Report description:**

Following the pandemic and post-pandemic recovery phase, with expatriates leaving and re-entering the United Arab Emirates over the past few years, the population is finally stabilising in 2022, with the "new normal" finally established. This includes more frequent remote working for some of the week, the return of children to school, public places operating at full capacity and the resumption of travel with some rules in place in certain countries (PCR tests, vaccination certificates, the filli...

Euromonitor International's Personal Accessories in United Arab Emirates report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2017-2021), allowing you to identify the sectors driving growth.
