Report description:

Volume sales of RTD tea are set to see positive growth in both the on-trade and off-trade in 2022. These positive results will boost the landscape, which has consistently been falling over the review period, with 2022 marking a mild rebound from the sharp decline caused by a partial lockdown in 2021, and a steep decrease in 2020. However, due to the low popularity of these beverages, the short-term outlook for RTD tea remains weak, and it will be at the end of 2023 before sales rebound from the...
