Report description:

Total volume sales of soft drinks are set to see steady growth in 2022, reflecting both the dynamic rebound in on-trade sales, and impulse purchases through off-trade channels. Since the lifting of the quasi-state of emergency in March 2022, although lingering caution about the COVID-19 virus has continued in 2022, consumers have started to spend more time outside the home compared with the previous year. The fast food channel was strong in terms of takeaways and delivery even during the outbrea...
