### **Report description:**

Financial cards and payments in Hong Kong has been seeing significant recovery after the negative impact of the pandemic. Credit cards remains the most popular payment method amongst Hong Kong consumers, with the highest retail value transactions. The retail value of credit cards is expected to have almost bounced back to the pre-pandemic level by the end of 2022. Pre-paid cards saw the highest growth in retail value transactions in 2021, and this is set to continue in 2022 thanks to the governm...
