Report description:

Financial cards in circulation will continue to grow strongly in 2022 thanks to the financial inclusion drive by the Central Bank of Nigeria and other financial institutions to recruit the unbanked and underserved population into the financial system. The increasing merchant acceptance of card payments and deployment of POS is also contributing to the increase in the volume and value of card payment transactions in 2022 as consumers now have more opportunities to make card payments. In contrast,...

Euromonitor International's Financial Cards and Payments in Nigeria report establishes the size and structure of the market for ATMs cards, smart cards, credit cards, debit cards, charge cards, pre-paid cards and store cards. It looks at key players in the market (issuers and operators), number of cards in circulation, numbers transactions and value of transactions.
