### **Report description:**

The ownership and usage of open loop pre-paid cards is declining in Greece due to the strong shift that has been sent towards debit cards in recent years. As a result, pre-paid cards are more commonly used nowadays for specific needs rather than as general payment tools or to withdraw cash from ATMs, for instance. Open loop pre-paid cards are now more likely to be various types of government benefit cards or cards issued as employee benefits and used to pay for food and beverage purchases relate...
