Report description:

Pre-paid cards was the worst performing category in financial cards and payments last year due to the negative effects of several lockdowns. Pre-paid cards are largely used for commuting and travelling, with a considerable amount of closed loop pre-paid card usage is accounted for by electronic ticketing on the Thai capital's public transportation systems BTS and MRT. Given that consumers were confined to their homes for large portions of the year, including working from home, there was far lowe...
