Report description:

Frozen processed potatoes saw healthy retail volume and current value growth in 2022. With the development of busier Tunisian lifestyles, frozen potatoes are becoming more popular among young families who find them an essential food product to have at home due to their ease of preparation. Frozen processed potatoes are now available in most modern grocery retailers. Such products are being locally produced by Tunisian companies that offer a wide range of products at affordable prices. However, d...

Euromonitor International's Processed Fruit and Vegetables in Tunisia report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
