Report description:

Weight management and wellbeing is the smallest consumer health product in Cameroon in terms of value sales. However, it is expected to register the highest current value growth. Slimming teas remain the only significant item within weight management and wellbeing in Cameroon in terms of current volume and value sales. In particular, slimming teas from China are very popular in Cameroon, and the entrance of cheaper Asian items should help to strengthen interest in weight management and wellbeing...

Euromonitor International's Weight Management and Wellbeing in Cameroon report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2017-2021, allowing you to identify the sectors driving growth. Forecasts to 2026 illustrate how the market is set to change.
