Report description:

Bottled water is expected to continue to record a positive off-trade volume performance in Ireland in 2022. Despite the lifting of the remaining COVID-19 restrictions, many people continue to spend more time at home than pre-pandemic, especially as the continuation of flexible working still provides for more consumption occasions at home. At the same time, the strong rebound in on-the-go consumption is set to continue, as mobility has returned to a greater extent along with the easing of COVID-19...
