Report description:

During 2022, sales of dishwashers continued to increase as the significant momentum generated in the category at the peak of the COVID-19 pandemic continue to build, although in a slower pace was seen during the early stages of the pandemic in 2020. Nonetheless, volume growth rates were in line with what was registered in the category in 2021, while it is important to note that dishwashers is a major appliances that is still at an incipient stage of development in Colombia and demand for these p...
