Report description:

Dishwashers has continued to perform positively in Hungary in 2022, with volume growth for the entire year predicted to be up slightly on that recorded in 2021. As the pace of consumer lifestyles has accelerated with the easing of the pandemic, rising appreciation for the convenience of these appliances has bolstered demand. Similarly, due to the increased incidence of remote working and the cost of living crisis, many Hungarians are still cooking and eating at home much more frequently than was...
