### **Report description:**

Kazakhstan has strong trade links with Russia in particular and the war in Ukraine is negatively impacting the economy and inflation is rising. While skyrocketing international oil and gas prices have boosted the local economy, its usual outflow to the global market through Russia has been disrupted and its energy sector has to look for other alternatives. As a result, the economy has not reaped as much benefits as would be expected from rising oil and gas prices. So, all in all, with inflation...
