- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

### **Report description:**

A slight shift was seen in consumer preferences in large cooking appliances in the Czech Republic towards the end of the review period as consumers increasingly favoured appliances with steam cooking functions, while energy efficiency increased in importance as a demand factor in the category. Steam cooking functions are now present in even the least expensive ovens and this offers numerous innovative options, both for food preparation and for cleaning. However, this is by no means the extent of...

Euromonitor International's Large Cooking Appliances in Czech Republic report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2017-2021, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, format trends or distribution issues.
