Report description:

Pre-paid cards is comprised entirely of open loop products in Vietnam. Demand for pre-paid cards slumped dramatically during the pandemic, with the government's COVID-19 measures limiting the use of these products. Despite the number of open loop pre-paid cards in circulation being much lower in 2022 than before the pandemic, transactions continue to see healthy growth both in current value terms and in terms of the number of transactions. Major users of these products in Vietnam during the pand...
