### **Report description:**

CBD is the new ingredient which is gaining in popularity across all categories from foods and beauty products to consumer health. Sleep aids containing CBD are slowly making their way onto the shelves of leading pharmacies in South Africa and can also be purchased online. Due to their niche nature, CBD sleep aids are priced higher than the average, and as a result, are not accessible to a wide consumer base. For example, while regular herbal/traditional sleep aids cost approximately ZAR3 per tab...
