Report description:

Retail volume sales of sugar and sweeteners have been on the decline for the past decade; however, they experienced an unusual hike in 2020 due to the lockdowns and the at-home baking trend. In 2022, retail volume sales are expected to continue to decline, but at a slower rate, due to the wave of stockpiling of essential products in the second half of 2022, including sugar, due to the expected economic downturn. When economic uncertainty rises, consumers start stocking up on essential products s...
