- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

### Report description:

In 2021, demand for colouring instruments stabilised following the notable decline the previous year, with many schools beginning to reopen for several days a week. While demand is still declining in 2022 across writing instruments in general, the drop is noticeably lower for colouring instruments, as various educational institutions resumed normal schedules, with all students expected to attend for five days a week.

Euromonitor International's Writing Instrumentsin South Africa report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2017-2021), allowing you to identify the sectors driving growth.
