### **Report description:**

The packaging volumes of HDPE bottles used for standard shampoos increased over 2020-2021. In addition to basic hygiene, scalp health gained importance amongst consumers, which increased the demand for hair care products such as standard shampoos. This ultimately benefited the packaging volumes of HDPE bottles, which also accounted for the largest volumes in 2020-2021. As hair care becomes more and more fragmented, brands are attempting to create differentiation through various measures, one of...
