### **Report description:**

While chocolate and sugar confectionery packaging was badly hit by the pandemic in 2020, gum packaging suffered a collapse in its unit volumes, which almost halved year on year. While demand for gum packaging had already been in steady decline prior to the pandemic, the decline was particularly deep in 2020. Flexible plastic, flexible paper and folding cartons are the main pack types in gum, with all seeing major declines in 2020, as on-the-go demand and impulse purchases slumped. While gum...
