Report description:

Having risen in 2021, retail volume sales of food preparation appliances declined for the third time in four years in 2022. However, retail constant value sales (2022 prices) grew significantly during this period, reflecting a sharp rise in unit price (particularly in 2020, when supply chains were disrupted for a period). Spectrum Brands (Russell Hobbs, George Foreman and Remington) has acquired Tristar, boosting its presence in small appliances.
