Report description:

Consumers are increasingly looking to incorporate healthy recipes in their diet, and looking for ingredients which are cheaper, accessible, and can be used in various ways in dishes. There has been a rise in awareness of coconuts as a food with multiple benefits. Coconuts have a plethora of health benefits, such as high in manganese, which is essential for bone health and the metabolism of carbohydrates, proteins, and cholesterol. They are also rich in copper and iron, which help form red blood cells...
