Report description:

Following the outbreak of COVID-19, consumers faced rising uncertainty as to the stability of life in India. Furthermore, consumers saw their movements heavily restricted for much of 2020 due to the implementation of national lockdown measures designed to curb the spread of the COVID-19 virus in the country. This meant that consumers spent a lot more time at home in 2020, with home seclusion in place throughout the country to prevent contamination. This saw consumers switching to remote learning...
