Report description:

In contrast to most other ready meal types, demand for chilled ready meals packaging declined during 2020. While chilled ready meals still accounted for the largest share of packaging unit volumes in ready meals, they lost ground to products with a longer shelf life, such as frozen, shelf stable and dried ready meals. Folding cartons, paper-based trays, flexible plastic and ready meal trays are the main types of packaging in chilled ready meals, all of which were declining in 2020. Ready meal tr...
