Report description:

Growth in packaging demand accelerated sharply in ready meals during 2020. COVID-19 led to consumers spending more time at home, while foodservice outlets were forced to close for an extended period. In this context, demand for ready meals grew as an affordable and convenient meal solution. Immediately prior to the pandemic, in 2019, shelf stable ready meals packaging unit volumes had actually been in decline, due to limited innovation and that the fact that local consumers were dining out with...
