Report description:

In 2020, demand for ready-to-cook frozen products in ready meals increased as the country entered a national lockdown period in the first half of the year. At this point, many consumers entered home seclusion to protect themselves and others from the COVID-19 pandemic, and a large proportion of employers shifted to work-from-home arrangements. As such, especially with the closure of consumer foodservice outlets, consumers in Saudi Arabia had a greater need for convenient and easy-to-prepare meal...
