### **Report description:**

There was a surge in demand for sauces, dressings and condiments packaging during 2020, when COVID-19 restrictions saw consumers spending more time at home and preparing and eating more meals and snacks there, providing a significant boost to demand for these products. Cooking ingredients are the largest source of demand for packaging units in sauces, dressings and condiments, and demand for cooking ingredients packaging rose for the first time in a number of years during 2020, as consumers cook...
