Report description:

COVID-19 led to an acceleration in demand growth for sauces, dressings and condiments packaging in Romania during 2020, as consumers spent more time at home and prepared and ate more meals there. On the other hand, the closure of horeca establishments weighed on demand, as these business - particularly smaller ones - often purchase these products from modern grocery retail outlets.

Euromonitor International's Sauces, Dressings and Condiments Packaging in Romania report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Cooking Ingredients, Dips, Other Sauces, Dressings and Condiments, Pickled Products, Table Sauces, Tomato Pastes and Purees.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
