Report description:

A growing number of consumers in Bulgaria are taking up sport and fitness activities in response to the health and wellness trend, which was further fuelled by the COVID-19 pandemic. This is helping to drive consumption of sports drinks, which continued to see strong growth in retail volume terms in 2022, albeit from a relatively low base. Sales had slumped during 2020 due to the pandemic, with consumers being stuck at home, but the category continued to bounce back in 2022 thanks to the lifting...
