### **Report description:**

Inflation is not being kind to the sweet spreads category. From jams and preserves, to honey and chocolate spreads, unit prices are expected to increase by around 10% in 2022. Supply chains have been greatly impacted since the pandemic, and the costs for processing and shipping are now being passed on to consumers when possible. There appears to be a bifurcation in the category, with the move to premium and private label products negatively impacting mid-range brands. Consumers are either willin...
