Report description:

Sweet spreads packaging saw a spike in its growth rate during 2020, as COVID-19 led to consumers spending more time at home and eating more meals and snacks there. Chocolate spreads account for the bulk of packaging demand in sweet spreads, and demand for chocolate spreads packaging was up during the year. Chocolate spreads are both a breakfast food and a popular snack, and many consumers ate breakfast at home more frequently and ate more snacks there during 2020. This drove strong growth in dem...
