### **Report description:**

Total volume sales of alcoholic drinks and its packaging were already in decline in 2019, as consumer confidence fell due to the economic crisis, high inflation and the recent devaluations of the local currency. The COVID-19 outbreak resulted in a continued decline in total volume sales in 2020, as lockdown measures and travel restrictions were introduced to try and prevent the spread of the virus. With bars closed completely and cafes and restaurants only permitted to provide home-delivery serv...
