### **Report description:**

Butter and spreads in Finland tend to be used on bread, but also in baking and cooking. While the category is mature, rising inflation in 2022 has raised unit prices causing a surge in current value sales. Domestic ingredients are highly valued with local rapeseed oil considered a local Nordic superfood. Indeed, many players have started to incorporate rapeseed oil into their products due to the growing consumer interest. As a result, local rapeseed oil is used in margarine and spread mixes suc...
