### **Report description:**

Cider/perry held only a negligible presence in India in 2021. Given the country's hot climate and interest in sparkling drinks it would suggest there is a potential market for these products, although currently cider/perry is only being produced on a small scale by a handful of microbreweries and it has not entered the mainstream.

Euromonitor International's Cider/Perry in India report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2017-2021), allowing you to identify the sectors driving growth.
